

Individual Learning Plan and Assessing Experience with Quality Improvement and MPDSR committees

Day 1. Session 2

Session Objectives

- Identify areas of MPDSR where participants feel competent and where they require further instruction
- Identify learner experience with MDSR/QI within the Facility/District

Individual Learning Plan: Level of Competency Scale

Low

Topic is new or unfamiliar to me

Moderate

Learner is aware of the topic. Learner is knowledgeable but will benefit from additional knowledge on the topic.

High

Learner is highly knowledgeable on the topic and may be able to provide additional insights during the workshop.
