

H4000 Joint Program: Section on Global Health (formerly SOICH) and Helping Babies Survive

Monday, October 5 | 8:00 AM – 12:00 PM CDT | 1:00 – 5:00 PM UTC

This year marks the 10th anniversary of Helping Babies Breathe (HBB), which has become one of the AAP's most visible and widely recognized global health initiatives. We will highlight the indelible mark that HBB has made as well as critically examine successes, challenges and the way forward for global neonatal health. SOGH will also provide programming updates.
