

world prematurity day november 17

2017 Global Theme:

Choose your individual
subheading

Available now:

Let them thrive!

- Quality of care for the smallest
- Improving care for the smallest
- Respectful care for the smallest

An advocacy toolkit including messages to share, ways to get involved, and statistics is available at the following website: bit.ly/WPD-2017-Global

How to use the global theme and subheading

*We encourage you to build on this year's motto and to choose your preferred subheading. By sharing **your own messages** on how you practice and promote care for preterm babies and their families, you are filling World Prematurity Day with life.*
