The Methodology of the INTERGROWTH-21st Project

Guest editors:

Aris T. Papageorghiou

Senior Fellow in Fetal Medicine and Clinical Research Director, Oxford Maternal & Perinatal Health Institute, University of Oxford, Oxford, UK; Consultant in Obstetrics and Sub-specialist in Maternal & Fetal Medicine, St George's Hospital, University of London, London, UK.

Ann Lambert

Administrator of Global Studies, Nuffield Department of Obstetrics & Gynaecology, and Oxford Maternal & Perinatal Health Institute, University of Oxford, Oxford, UK.

Fernando C. Barros

Professor of Epidemiology, Federal University of Pelotas, Pelotas, Brazil.

Professor, Post Graduate Course in Health and Behavior, Catholic University of Pelotas, Pelotas, Brazil.

Zulfiqar A. Bhutta

Noordin Noormahomed ShariEFF

Professor and Founding Chair, Women and Child Health Division, The Aga Khan University, Karachi, Pakistan.

This project was supported by the INTERGROWTH-21st Grant ID# 49038 from the Bill & Melinda Gates Foundation to the University of Oxford, for which we are very grateful. This funding has allowed us to provide copies of this publication for worldwide distribution.

Articles were peer reviewed by independent referees selected by the guest editors; they were then revised if necessary and finally approved by the guest editors, not the standard BJOG editorial approval process.

Contents

Preface

- vii Preface
S Arulkumaran

Introduction

- 1 Introduction
ZA Bhutta, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)

Original articles

- 3 Conceptual basis for prescriptive growth standards from conception to early childhood: present and future
R Uauy, P Casanello, B Krause, JP Kuzanovic, C Corvalan, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 9 The objectives, design and implementation of the INTERGROWTH-21st Project
J Villar, DG Altman, M Purwar, JA Noble, HE Knight, P Ruyan, L Cheikh Ismail, FC Barros, A Lambert, AT Papageorghiou, M Carvalho, YA Jaffer, E Bertino, MG Gravett, ZA Bhutta, SH Kennedy, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 27 Ultrasound methodology used to construct the fetal growth standards in the INTERGROWTH-21st Project
AT Papageorghiou, I Sarris, C Ioannou, T Todros, M Carvalho, G Pilu, LJ Salomon, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 33 Standardisation and quality control of ultrasound measurements taken in the INTERGROWTH-21st Project
I Sarris, C Ioannou, EO Ohuma, DG Altman, L Hoch, C Cosgrove, S Fathima, LJ Salomon, AT Papageorghiou, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 38 Standardisation of crown–rump length measurement
C Ioannou, I Sarris, L Hoch, LJ Salomon, AT Papageorghiou, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 42 Anthropometric protocols for the construction of new international fetal and newborn growth standards: the INTERGROWTH-21st Project
L Cheikh Ismail, HE Knight, Z Bhutta, WC Chumlea, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 48 Anthropometric standardisation and quality control protocols for the construction of new, international, fetal and newborn growth standards: the INTERGROWTH-21st Project
L Cheikh Ismail, HE Knight, EO Ohuma, L Hoch, WC Chumlea, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 56 Standardisation of neonatal clinical practice
ZA Bhutta, F Giuliani, A Haroon, HE Knight, E Albernaz, M Batra, B Bhat, E Bertino, K McCormick, R Ochieng, V Rajan, P Ruyan, L Cheikh Ismail, V Paul, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 64 Managing data for the international, multicentre INTERGROWTH-21st Project
EO Ohuma, L Hoch, C Cosgrove, HE Knight, L Cheikh Ismail, L Juodvirsiene, AT Papageorghiou, H Al-Jabri, M Domingues, P Gilli, N Kunnawar, N Musee, F Roseman, A Carter, M Wu, DG Altman, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 71 Statistical considerations for the development of prescriptive fetal and newborn growth standards in the INTERGROWTH-21st Project
DG Altman, EO Ohuma, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 77 Ethical issues arising from the INTERGROWTH-21st Fetal Growth Longitudinal Study
F Burton, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 81 Implementation of the INTERGROWTH-21st Project in Brazil
MF Silveira, FC Barros, IKT Scowitz, MR Domingues, DM Mota, SS Fonseca, A Mitidieri, AR Leston, HE Knight, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 87 Implementation of the INTERGROWTH-21st Project in China
Y Pan, MH Wu, JH Wang, RY Pang, HE Knight, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 94 Implementation of the INTERGROWTH-21st Project in India
M Purwar, N Kunnawar, S Deshmukh, A Singh, I Mulik, V Taori, K Tayade, C Mahorkar, A Somani, K Saboo, A Choudhary, C Shembekar, S Choudhary, M Ketkar, HE Knight, I Blakey, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)

- 100 Implementation of the INTERGROWTH-21st Project in Italy
F Giuliani, E Bertino, M Oberto, P Di Nicola, G Gilli, HE Knight, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 105 Implementation of the INTERGROWTH-21st Project in Kenya
M Carvalho, S Vinayak, R Ochieng, V Choksey, N Musee, W Stones, HE Knight, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 111 Implementation of the INTERGROWTH-21st Project in Oman
YA Jaffer, J Al Abri, J Abdawani, HE Knight, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 117 Implementation of the INTERGROWTH-21st Project in the UK
F Roseman, HE Knight, F Giuliani, S Lloyd, P Di Nicola, A Laister, S Roseman, K Kennedy, O Burnham, B Patel, F Puglia, I Blakey, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 123 Implementation of the INTERGROWTH-21st Project in the United States
MK Dighe, IO Frederick, HF Andersen, MG Gravett, SE Abbott, AA Carter, H Algren, DA Rocco, SA Waller, TK Sorensen, D Enquobahrie, I Blakey, HE Knight, L Cheikh Ismail, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 129 A rapid questionnaire assessment of environmental exposures to pregnant women in the INTERGROWTH-21st Project
B Eskenazi, A Bradman, D Finkton, M Purwar, JA Noble, R Pang, O Burnham, L Cheikh Ismail, F Farhi, FC Barros, A Lambert, AT Papageorghiou, M Carvalho, YA Jaffer, E Bertino, MG Gravett, DG Altman, EO Ohuma, SH Kennedy, ZA Bhutta, J Villar, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)
- 139 Translating research into practice: the introduction of the INTERGROWTH-21st package of clinical standards, tools and guidelines into policies, programmes and services
A Chatfield, JM Caglia, S Dhillon, J Hirst, L Cheikh Ismail, K Abawi, G Kac, AS Al Dhaheri, J Villar, S Kennedy, A Langer, for the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st)

Members of the International Fetal and Newborn Growth Consortium for the 21st Century (INTERGROWTH-21st) and its Committees

Scientific Advisory Committee

M Katz (Chair from January 2011), MK Bhan, C Garza, S Zaidi, A Langer, PM Rothwell (from February 2011), D Weatherall (Chair until December 2010).

Steering Committee

ZA Bhutta (Chair), J Villar (Principal Investigator), S Kennedy (Project Director), DG Altman, FC Barros, E Bertino, F Burton, M Carvalho, L Cheikh Ismail, WC Chumlea, MG Gravett, YA Jaffer, A Lambert, P Lumbiganon, JA Noble, RY Pang, AT Papageorghiou, M Purwar, J Rivera, C Victora.

Executive Committee

J Villar (Chair), DG Altman, ZA Bhutta, L Cheikh Ismail, S Kennedy, A Lambert, JA Noble, AT Papageorghiou.

Study Co-ordinating Unit

J Villar (Head), S Kennedy, L Cheikh Ismail, A Lambert, AT Papageorghiou, M Shorten, L Hoch (until May 2011), HE Knight (until August 2011), EO Ohuma (from September 2010), C Cosgrove (from July 2011), I Blakey (from March 2011).

Data Management and Analysis Group

DG Altman (Head), F Roseman, N Kunnawar, SH Gu, JH Wang, MH Wu, M Domingues, P Gilli, L Juodvirsiene, L Hoch (until May 2011), N Musee (until June 2011), H Al-Jabri (until October 2010), S Waller (until June 2011), C Cosgrove (from July 2011), D Muninzwa (from October 2011), EO Ohuma (from September 2010), D Yellappan (from November 2010), A Carter (from July 2011), D Reade (from June 2012), R Miller (from June 2012).

Ultrasound Group

AT Papageorghiou (Head), L Salomon (Senior external advisor), A Leston, A Mitidieri, F Al-Aamri, W Paulsene, J Sande, WKS Al-Zadjali, C Batiuk, S Bornemeier, M Carvalho, M Dighe, P Gaglioti, N Jacinta, S Jaiswal, JA Noble, K Oas, M Oberto, E Olearo, MG Owende, J Shah, S Sohoni, T Todros, M Venkataraman, S Vinayak, L Wang, D Wilson, QQ Wu, S Zaidi, Y Zhang, P Chamberlain (until September 2012), D Danelon (until July 2010), I Sarris (until June 2010), J Dhami (until July 2011), C Ioannou (until February 2012), CL Knight (from October 2010), R Napolitano (from July 2011), C Pace (from January 2011), V Mkrtychyan (from June 2012).

Anthropometry Group

L Cheikh Ismail (Head), WC Chumlea (Senior external advisor), F Al-Habsi, ZA Bhutta, A Carter, M Alija, JM Jimenez-Bustos, J Kizidio, F Puglia, N Kunnawar, H Liu, S Lloyd, D Mota, R Ochieng, C Rossi, M Sanchez Luna, YJ Shen, HE Knight (until August 2011), DA Rocco (from June 2012), IO Frederick (from June 2012).

Neonatal Group

ZA Bhutta (Head), E Albernaz, M Batra, BA Bhat, E Bertino, P Di Nicola, F Giuliani, I Rovelli, K McCormick, R Ochieng, RY Pang, V Paul, V Rajan, A Wilkinson, A Varalda (from September 2012).

Environmental Health Group

B Eskenazi (Head), LA Corra, H Dolk, J Golding, A Matijasevich, T de Wet, JJ Zhang, A Bradman, D Finkton, O Burnham, F Farhi.

Participating countries and local investigators

Brazil: FC Barros (Principal Investigator), M Domingues, S Fonseca, A Leston, A Mitidieri, D Mota, IK Scowitz, MF da Silveira.

China: RY Pang (Principal Investigator), YP He, Y Pan, YJ Shen, MH Wu, QQ Wu, JH Wang, Y Yuan, Y Zhang.

India: M Purwar (Principal Investigator), A Choudhary, S Choudhary, S Deshmukh, D Dongaonkar, M Ketkar, V Khedikar, N Kunnawar, C Mahorkar, I Mulik, K Saboo, C Shembekar, A Singh, V Taori, K Tayade, A Somani.

Italy: E Bertino (Principal Investigator), P Di Nicola, M Frigerio, G Gilli, P Gilli, M Giolito, F Giuliani, M Oberto, L Occhi, C Rossi, I Rovelli, F Signorile, T Todros.

Kenya: M Carvalho (Principal Investigator), J Kizidio, R Ochieng, J Shah, W Stones, S Vinayak, N Musee (until June 2011), C Kisiang'ani (until July 2011), D Muninzwa (from August 2011).

Oman: YA Jaffer (Principal Investigator), J Al-Abri, J Al-Abduwani, FM Al-Habsi, H Al-Lawatiya, B Al-Rashidiya, WKS Al-Zadjali, FR Juangco, M Venkataraman, H Al-Jabri (until October 2010), D Yellappan (from November 2010).

UK: S Kennedy (Principal Investigator), L Cheikh Ismail, AT Papageorghiou, F Roseman, A Lambert, S Lloyd, R Napolitano (from July 2011), C Ioannou (until February 2012), I Sarris (until June 2010),

USA: MG Gravett (Principal Investigator), C Batiuk, M Batra, S Bornemeier, M Dighe, K Oas, W Paulsene, D Wilson, IO Frederick, HF Andersen, SE Abbott, AA Carter, H Algren, DA Rocco, TK Sorensen, D Enquobahrie, S Waller (until June 2011).

Acknowledgements

This project is supported by a generous grant from the Bill & Melinda Gates Foundation to the University of Oxford, for which we are very grateful. We would also like to thank the Health Authorities in Pelotas, Brazil; Beijing, China; Nagpur, India; Turin, Italy; Nairobi, Kenya; Muscat, Oman; Oxford, UK and Seattle, USA who facilitated the project by allowing participation of these study sites as collaborating centres. We are extremely grateful to Philips Medical Systems who provided the ultrasound equipment and technical assistance throughout the project. We also thank MedSciNet U.K. Ltd for setting up the INTERGROWTH-21st website and for the development, maintenance and support of the online data management system.

We thank the parents and infants who participated in the studies and the more than 200 members of the research teams who made the implementation of this project possible. The participating hospitals included: Brazil, Pelotas (Hospital Miguel Piltcher, Hospital São Francisco de Paula, Santa Casa de Misericórdia de Pelotas, and Hospital Escola da Universidade Federal de Pelotas); China, Beijing (Beijing Obstetrics & Gynecology Hospital, Shunyi Maternal & Child Health Centre, and Shunyi General Hospital); India, Nagpur (Ketkar Hospital, Avanti Institute of Cardiology Private Limited, Avantika Hospital, Gurukrupa Maternity Hospital, Mulik Hospital & Research Centre, Nandlok Hospital, Om Women's Hospital, Renuka Hospital & Maternity Home, Saboo Hospital, Brajmonhan Taori Memorial Hospital, and Somani Nursing Home); Kenya, Nairobi (Aga Khan University Hospital, MP Shah Hospital and Avenue Hospital); Italy, Turin (Ospedale Infantile Regina Margherita Sant' Anna and Azienda Ospedaliera Ordine Mauriziano); Oman, Muscat (Khoula Hospital, Royal Hospital, Wattayah Obstetrics & Gynaecology Poly Clinic, Wattayah Health Centre, Ruwi Health Centre, Al-Ghoubra Health Centre and Al-Khuwair Health Centre); UK, Oxford (John Radcliffe Hospital) and USA, Seattle (University of Washington Hospital, Swedish Hospital, and Providence Everett Hospital).

Full acknowledgement for all those who contributed to the development of the project protocol appears at www.intergrowth21.org.uk
